

MEAL PREPARERS

Mission

Prepare filling, nutritious meals for our IHN guests.

Responsibilities

1. The Coordinator will let all food preparers know the number of guests we are expecting during the week before the guests arrive.
2. Arrive at the church at 5:00pm so dinner is ready to serve when the guest arrive form the IHN Day Center. The Social Host will be available to let you into the church, if necessary.
3. Meals should be balanced and will generally include protein (meat, eggs, dairy, or legumes), vegetable, and carbohydrate (potato, pasta, or bread). If you have any questions, please ask. Dessert is a nice touch and would be appreciated but is not absolutely necessary.
4. Meals should be already prepared. Reheating is acceptable but any cooking/baking at the church is discouraged.
5. Bringing meals in disposable serving trays is preferred. If you must bring personal containers/dishes, make sure the Social Host knows what is yours and that you want it back.
6. If you need assistance getting things ready, the Social Host should be willing to help.
7. The Social Host will clean-up after dinner so there is no need for you to stay after the preparations are complete.
